COURSES

** By age 9, many students have taken a few years of training and are ready for more of a challenge. It is recommended that all students ages 9 and up enroll in one ballet class per week. Two ballet classes per week will help students 11 and up reach their goals and prepare them for pointe class.*

ACRO/TUMBLING One of our largest programs is the acrobatics program which combines gymnastics and dance. Our teachers are Acrobatic Arts Certified. Learn how to properly execute acrobatic tricks and develop gymnastic skills including walkovers, flips, handsprings, aerials, and more. Additional focus is also placed on core strengthening exercises and increasing flexibility. Not only does Acro provide flexibility, core strength, and agility, it also gives students a veritable performance edge!

PRE-SCHOOL TUMBLING 6 WEEK MINI SESSIONS AGES 4-6 This 6 week mini session series of classes is designed to introduce the basic, fundamental tumbling skills while increasing your child's flexibility, balance, strength, muscle control, discipline and concentration. This class will focus on such skills such as headstands, handstands, forward rolls, cartwheels, and bridges at each student's individual level. Our instructor is certified in Acrobatic Arts, a world renowned comprehensive program, providing a safe and fun environment for your toddler. 6 week Mini Sessions are offered for Fall, Winter and Spring: Oct. 15 - Nov. 19 Fall, Jan. 7 - Feb. 11 Winter, Mar. 4- Apr. 8 Spring. This is a great way to sample classes without a long commitment or if you have a busy schedule. Each session tuition is due in full by the first class.

BALLET is essential to building a solid dance education. A classical form of dance which concentrates on barre, centre floor, proper body alignment, and technique. Pre-pointe and Pointe work is available by teacher permission.

MOMMY (AND DADDY!) AND ME 6 WEEK MINI SESSIONS This 6 week mini session series of classes is for you AND your child! Our instructor will provide you with guided activities, exercises, and stretches to introduce your toddler to the world of tumbling movement and music! CHILDREN'S TAP/JAZZ AND TAP/BALLET COMBINATION CLASSES Combination classes are one of the oldest and most highly successful programs where children are introduced to the basic elements of dance. We start with tap, where your child will learn basic steps and rhythms to big band music. In ballet, the focus is on body placement and correct terminology. In jazz, we will work on the gross motor skills to popular upbeat music. They will finish the class with basic tumbling. At the end of class, all dancers receive praise for their achievements! Students perform one recital dance routine.

HIP-HOP Our hip-hop is a fast moving, high energy style class that is taught to the latest music of today. Warm-up, strength, stretches, and isolation segments are followed by combinations and hip-hop choreography. Hip-Hop mixes Funk and Street dance styles that are commonly seen in music videos. No technical training needed!

JAZZ A popular form of dance that combines many styles and techniques from traditional to contemporary. Class work: technique, isolations, flexibility/strengthening exercises, across the floor progressions and dance combinations.

LYRICAL Class is designed for dancers looking to grow and challenge themselves with technique, style, and artistry. A song's lyrics are a driving force and key inspiration for the movement for this popular and recognized form of dance. A solid ballet-based technique is an essential component of this style of dance as is various other forms of jazz and contemporary dance.

TAP classes are designed to develop rhythm, style and sound. The class emphasis is on developing proper tap technique, producing clear tap sounds, and having fun. As students progress through each level, curriculum will become increasingly more complex and intricate.

FUNDAMENTALS OF ACTING This very popular class is designed to offer introductory techniques to the craft of acting. This class is perfect for dancers and theater students alike. Students will receive a broad education on what to expect at a theater/dance call or audition, how to use their dance education as an asset in their acting training and how to blend acting and dance through learning different theatrical dance styles. The focus is to make the student an all around better performer and more successful artist.

SUPPLEMENTARY CLASSES In addition to our weekly core classes we also offer students the opportunity to take additional drop-in classes as supplementary training. Supplementary classes are held throughout the year in a variety of dance styles. Check our monthly newsletters for updates!

PRIVATE LESSONS One-on-one instruction can be schedule with all instructors in all forms of dance, in ½ hr. or full hour sessions. Please contact the office to schedule your session.

We do not send out monthly billing invoices unless an account is delinquent. The studio accepts checks, cash, Mastercard , Discover, and Visa payments which may be made online , placed in the lobby payment slot , or mailed to our business office.

PAYMENT OPTIONS For your convenience we offer 3 tuition payment options for our September - June school year. Our Summer session fees are due upon registration which opens during the month of May.

TUITION OPTION 1: MONTHLY INSTALLMENT PAYMENTS

Annual tuition can be divided into 10 monthly installment payments to make budgeting easier. This makes the monthly payment the same amount every month regardless of missed classes or holidays/school vacations.

Equal installment payments are due at the first lesson of each month beginning with September and ending with June for a total of 10 installments. Payments received after the 20th of the month will be assessed a \$15 late fee. If your child is absent on the first week of class when payment is due, please mail your payment to our business office address in order to avoid late fees.

TUITION OPTION 2: TWO 5% DISCOUNTED SEMESTER PAYMENTS

LEVEL PLACEMENT At SLA Dance Complex all classes are planned thoroughly; to be taught with proper terminology, conditioning stretches for flexibility, body awareness for appropriate ages and levels, and creatively challenged in a positive and caring dance environment. We place all children in classes according to skill, ability and improvement, rather than age. Please note: Age reference is merely for "new" student enrollment until instructor has properly observed student's ability.

Returning Students Our goal is to keep each class progressing together at a similar pace while paying attention to the slight mixed level that will naturally arise and change throughout the year. If it is determined by the teacher that a student has not been enrolled in the proper class the studio will contact the parent/guardian immediately. We try to make all placement changes as quickly as possible.

New Students: For dancers who come to us with experience at other studios or who have been absent from us for some time, we need to ask a few questions to familiarize ourselves with your skill level and capabilities. Once the initial placement is determined, the first class is then used as a trial. After the first class the teacher will make an assessment and advise if proper placement has been achieved or if a switch to another class is a better fit. We are committed to finding the absolute best class for each student so that we can ensure proper training and a safe and enjoyable learning environment.

CLASS LEVEL GUIDES:

Level 1 Beginner : Basic fundamentals are introduced, including body alignment, vocabulary, and basic positions of the feet & arms.

Levels 2-3 Advanced Beginner/intermediate: Each level is structured to provide more advanced training as the student is ready.

Levels 4-6 Intermediate Advanced/Advanced: These inter. advanced and advanced levels are the culmination of study and hard work. Students should possess 5+ years of recent and consistent training.

NUTCRACKER HOLIDAY PERFORMANCE Each year Studio for the Living Arts performs a full production of the Christmas classic, The Nutcracker Ballet. Our Ballet students will bring the magical tale of the Nutcracker to life on Saturday, December 1, 2018 at the Westbrook Performing Arts Center. Ballet students in all levels 1-6 will be performing. Two performances (11am and 4pm) will be held at the Westbrook Performing Arts Center . Each performance is approximately 1.5 hrs. in length with one intermission. Nutcracker Holiday Performance Ticket costs are \$15 reserved seating. Families who wish to attend both performances will be offered a discounted ticket rate.

NUTCRACKER REHEARSALS For our ballet students in Levels 1, 2, their Nutcracker roles are taught at the end of each weekly ballet class during the first semester in a short choreography segment. There are no rehearsals held outside of regular class time. (There may be one or two Saturday rehearsals at our studio with the full cast when we get closer to the show). The Nutcracker rehearsal schedule and other Nutcracker details may be found on our website in the Fall.

NUTCRACKER COSTUMES: There are no costume purchase fees as all costumes are owned by Studio for the Living Arts Dance Complex and they are loaned to the cast members. Tights and leotard or leggings (if applicable) to be worn under costumes, are the responsibility of the student to purchase if needed. Please note that all tights are purchased at SLA Dance Complex to ensure they are the same brand/color. Tights cost: \$12 children/\$21 pink back seam levels 3+.

NUTCRACKER REHEARSAL FEES There is a \$45 Production Rehearsal fee that offsets costs for the cast members who will be attending the 6-8 Saturday classes of rehearsals to learn the choreography for their role(s). There is no Production Rehearsal fee for the Level 1,2 dancers who learn their roles in weekly classes. We strive to keep costs as low as possible.

NUTCRACKER AUDITIONS: Open Nutcracker Auditions are held at our SLA Dance Complex: Saturday September 15, 2018 at 10am. Dancers from any studio are welcome to audition and participate in our Nutcracker performance.

Level 1 and Level 2 ballet students do not need to attend Nutcracker auditions. Levels 3-6 ballet students do attend auditions if they wish to participate in the performance.

JUNE RECITAL We believe performing is an integral part of a student's dance education and our annual recitals give students an exciting opportunity to perform in a professional theatre. We present 2 shows on the same day, and students will appear in one show or the other. If students are in multiple classes they may appear in both shows. We try to place a variety of different numbers and levels in each performance so we can exhibit a variety of genres in order to keep the shows as entertaining as possible. We also take into consideration costumes changes and line up requirements. We are not always able to accommodate putting all of a student's or sibling's classes in the same show. Students wishing to see the performance from the audience must also purchase a ticket. We typically hold recital the second weekend of June and announce the exact date once approved by the theater. *Performers are asked to make a commitment to class attendance. Instructors reserve the right to omit a student from all/or parts of a recital performance if they have consistently missed classes. A zero account balance is required prior to purchasing recital tickets and participating in performances.*

RECITAL COSTUMES Costume fees are due no later than January 7, 2019. Students require a costume for each class that they are enrolled in. Costume fees for our annual June recital are \$60 for Creative Movement classes and \$75 per dancer, per class for all other classes.

All accessories such as headpieces or gloves are included in the cost. If a costume needs tights, a new pair will be required for each costume for each new dance season. Recital Tights fees are \$12. The studio orders all tights to ensure they are the same shade. (Students enrolled in a "combo" class perform only one number in the recital and have only one costume). You may submit payments towards your Costume Fee at any time prior to January 7, 2019. We are unable to order costumes without payment as the manufacturer requires payment in full.

*Costumes not paid for by January 7th will receive a \$10 late/separate ship fee per costume. *Costumes not paid for by January 21, 2019 will not be ordered. Costumes are non-exchangeable and payment is non-refundable once ordered. Costume companies offer sizes in small, medium, large and XL. Although rare, if alterations are needed, they will be the responsibility of the student's parent. If you do not have a seamstress we can make a recommendation for you.

RECITAL AWARDS Dance award trophies (5, 10, 15 year etc.) are presented to dancers on stage at the recital in June. All award recipients will have their names listed in our June recital program.

CARE OF STUDENTS/ SAFETY We are responsible for our students during the time of their class with us. SLADC is not staffed to provide before and after childcare. We are concerned about the safety of every individual that we deal with and we want everyone to maintain awareness of how to be safe when coming to and from classes. The safest situation is to park your vehicle and walk with your child into our lobby. We also suggest that you come into the lobby to pick up your child after class. Please make every effort to pick students up from the studio on time. We cannot assume responsibility for young students after class is dismissed as we do not have adequate staffing to supervise their activities. Parents: please advise your dancer to remain inside the building while waiting for their ride to pick them up after class.

CODE OF CONDUCT Our most important rule: RESPECT. Proper respect of the director, faculty, office staff, curriculum, and fellow students is expected of all students, parents and siblings. Every student should behave in a disciplined, responsible manner both at the studio and at offsite performances. The studio reserves the right to suspend or dismiss any student whose attitude, attendance or conduct is found to be unsatisfactory.
