SFLA is committed to protecting the health and safety of our students and faculty and we follow all state-and CDC-guidelines and recommendations.

Please note, if there are changes to our current policies below, we reserve the right to amend them in order to conform with the guidelines set by the CDC, and our local government.

MASK POLICY:

For all summer session classes, vaccinated faculty, students, parents, and guests, may enter the SFLA facilities, (and also may participate in classes), without a mask. For any unvaccinated, the CDC and our local government recommend wearing a mask (we know they work) !
