PRIVATE LESSONS:

One-on-one instruction can be scheduled with all instructors in all forms of dance, in ½ hr. or full hour sessions. Please contact the office to schedule your session.

ACRO/TUMBLING One acrobatics recital program combines gymnastics and dance. Learn how to properly execute acrobatic tricks and develop gymnastic skills including walkovers, flips, handsprings, aerials, and more. Additional focus is also placed on core strengthening exercises and increasing flexibility. Not only does Acro provide flexibility, core strength, and agility, it also gives students a veritable performance edge! Our instructor is certified in Acrobatic Arts, a world renowned comprehensive program, providing a safe and fun environment for our students.

ACRO/TUMBLING PRE-SCHOOL 6 WEEK MINI SESSIONS AGES 4-6 This 6 week mini session series of classes is designed to introduce the basic, fundamental tumbling skills while increasing your child's flexibility, balance, strength, muscle control, discipline and concentration. This class will focus on such skills such as headstands, handstands, forward rolls, cartwheels, and bridges at each student's individual level. 6 week Mini Sessions are offered for Fall, Winter and Spring: Oct. 14 - Nov. 18, Jan. 6 - Feb. 10, and Mar. 2 - Apr. 6. This is a great way to sample classes without a long commitment or if you have a busy schedule. Each 6 week session tuition is due in full one week prior to the first class.

ACTING This very popular class is offered through our supplemental drop-in class series throughout the season and it is perfect for dancers and theater students alike. Students explore and develop movement and acting skills including theatre exercises, improvisation, stage movement, audition preparation and more. The focus is to make the student an all around better performer and successful artist.

BALLET is essential to building a solid dance education.

A classical form of dance which concentrates on barre, centre floor, proper body alignment, and technique. Pre-pointe and Pointe work is available by teacher permission. By age 9, many students have taken a few years of training and are ready for more of a challenge. It is recommended that all students ages 9 and up enroll in one ballet class per week. Two ballet classes per week will help students age 11 and up reach their goals and prepare them for pointe class.

COMBINATION CLASSES Combination (combo) classes are one of the oldest and most highly successful programs where children are introduced to the basic elements of dance in 2 different genres. Students learn basic steps and rhythms and focus on body placement and correct terminology. Students perform 1 recital routine (the teacher will choose one of the genres to be performed in the show).

COMPANY CLASSES are rehearsal and training classes for our the Pulse Competition Team students. Acceptance by invitation or audition. For more information, or to request an audition, please contact the office.

CONTEMPORARY dance is a style of expressive dance that combines elements of several dance genres, including modern, jazz, lyrical and ballet. Contemporary dancer combines fluid dance movement and technique.

CREATIVE MOVEMENT This popular class is designed for our youngest dance enthusiasts who want to express their independence without the assistance of mom or dad. Class combines elements of beginner Ballet, Rhythmic Skills, and Dance Appreciation. Students will improve flexibility, learn the basic positions of classical Ballet, and explore creative movement in a fun, encouraging atmosphere.

HIP-HOP Our hip-hop is a fast moving, high energy style class that is taught to the latest music of today. Warm-up, strength, stretches, and isolation segments are followed by combinations and hip-hop choreography. Hip-Hop mixes Funk and Street dance styles that are commonly seen in music videos. No technical training needed! *Adult 6 week Hip-Hop Mini Sessions are offered for Fall, Winter and Spring: Oct. 15 - Nov. 19, Jan. 7 - Feb. 11, and Mar. 3 - Apr. 7.

LYRICAL Class is designed for dancers looking to grow and challenge themselves with technique, style, and artistry. A song's lyrics are a driving force and key inspiration for the movement for this popular and recognized form of dance. A solid ballet-based technique is an essential component of this style of dance as is various other forms of jazz and contemporary dance.

TUITION is based on the full school year beginning with classes in September and culminating with recital in June. Our 6 week summer term is offered July-August. Tuition is not prorated for student absences, sickness or scheduled holiday breaks. There is an annual registration fee of \$15 for one student or \$25 for families living in the same household. There are no summer term registration fees. Registration fees are used to offset costs involved in invoicing, newsletters, memos, miscellaneous communications and the maintenance of tuition accounts.

We do not send out monthly billing invoices unless an account is delinquent. The studio accepts checks, cash, Mastercard, Discover, and Visa payments which may be made online, placed in the lobby payment slot, or mailed to our business office.

PAYMENT OPTIONS For your convenience we offer 3 tuition payment options for our September - June school year Recital Program. Our full 6 week Summer Session fees are due upon registration which opens during the month of May.

TUITION OPTION 1: MONTHLY INSTALLMENT PAYMENTS

Annual tuition can be divided into 10 monthly installment payments to make budgeting easier. This makes the monthly payment the same amount every month regardless of missed classes or holidays/school vacations.

Equal installment payments are due at the first lesson of each month beginning with September and ending with June for a total of 10 installments. Payments received after the 20th of the month will be assessed a \$15 late fee. If your child is absent on the first week of class when payment is due, please mail your payment to our business office address in order to avoid late fees.

TUITION OPTION 2: TWO 5% DISCOUNTED SEMESTER PAYMENTS

If you choose to make two semester payments, you will receive a 5% discount when the Fall semester payment is paid in full upon registration, and again when the full Spring Semester is paid in full prior to January 06, 2020. Students enrolling after the month of September are not eligible for the semester discount. We are unable to apply discount for payments received after January 6, 2020.

TUITION OPTION 3: ONE 10% DISCOUNTED EARLY ANNUAL PAYMENT

When tuition is paid in full for the year by September 1, 2019. The registration fee is waived and a 10% tuition discount is applied. Students enrolling after September 1, are not eligible for the annual discount.

RETURNED CHECK FEES are \$25.00. For accounts over 60 days past due the student will not be allowed to attend classes until the account is current.

RECURRING AUTOPAY OPTION This is an automated system where your tuition payment is automatically drafted from your Credit or Debit Card on the 1st of each month for the amount of your monthly installment fee. This will ensure that your monthly payments are received on time. Your Recital costume fee (due the first week in January) will also be deducted with your January tuition payment. You may select this option when you enter your credit card number on your account by checking the box "use for recurring billing". You may also uncheck the box at anytime to stop the recurring billing.

WITHDRAWAL POLICY/REFUNDS If a student wishes to drop a class, please forward prompt written notification to our office and tuition payments will cease at the end of the current month. Discounted Semester or Annual tuition payments are non-refundable as we have reserved the student's place in class for the full term. Credit on account only. Full or partial refunds are granted for medical conditions, with a physician's note. Absence from class is non-refundable. If a student is absent from class due to sickness or inclement weather, they may attend a makeup the class of the same format. Tuition, registration fees, costume payments, and recital tickets, are non-refundable and non-transferable.

LOW-ENROLLMENT OR FULL CLASSES: A minimum of 8 students is needed to keep a class open. If a class has low enrollment it may be combined with another class or rescheduled on a different day/time and we would notify you immediately. If a class is full we will notify you with some recommended alternate classes.

TUITION DISCOUNTS Families: Deduct 10% for each additional student. This does not apply to the Family Unlimited rate. Unlimited Individual/Family rates do not include private class fees, supplementary Drop-in classes or special workshops or master classes.

LEVEL PLACEMENT We are committed to finding the absolute best class for each student so that we can ensure proper training and a safe and enjoyable learning environment. All classes are planned thoroughly; to be taught with proper terminology, conditioning stretches for flexibility, body awareness for appropriate ages and levels, and creatively challenged in a positive and caring dance environment. We place our students in classes according to skill, ability and improvement, rather than age. Please note: Age reference is merely for a guide for new student enrollment until our instructor has properly observed student's ability.

Returning Student Placements: Our goal is to keep each class progressing together at a similar pace while paying attention to the slight mixed level that will naturally arise and change throughout the year. If it is determined by the teacher that a student has not been enrolled in the proper class the studio will contact the parent/guardian immediately.

New Student Placements: For dancers who come to us with experience at other studios or who have been absent from us for some time, your first class is used as a trial. After the first class the teacher will make an assessment and advise if proper placement has been achieved or if a switch to another class is a better fit.

CLASS LEVEL GUIDES:

Level 1 Beginner: Basic fundamentals are introduced, including body alignment, vocabulary, and basic positions of the feet & arms.

Levels 2-3 Advanced Beginner/intermediate: Each level is structured to provide more advanced training as the student is ready.

Levels 4-6 Intermediate Advanced/Advanced: These inter. advanced and advanced levels are the culmination of study and hard work. Students should possess 5+ years of recent and consistent training.

NUTCRACKER HOLIDAY PERFORMANCE Each year Studio for the Living Arts performs a full-length production of the Christmas classic, "The Nutcracker Ballet". Our Ballet students in all levels 1-6 will bring the magical tale of the Nutcracker to life in two performances held at the Westbrook Performing Arts Center. The evening performance is held Friday, December 6, 2019 at 7pm and the matinee is held Saturday, December 7, at 1pm. Each performance is approximately 1.5 hrs. in length with one intermission. Nutcracker Holiday Performance Ticket costs are \$15 reserved seating. Families who wish to attend both performances will be offered a discounted ticket rate.

NUTCRACKER REHEARSALS For our ballet students in Levels 1 and 2, their Nutcracker roles are taught at the end of each weekly ballet class during the first semester in a short choreography segment. There are no weekly rehearsals held outside of regular class time with the exception of two Saturday rehearsals at our studio with the full cast when we get closer to the show. Our full Nutcracker Handbook may be found on our website in the Fall.

NUTCRACKER COSTUMES: There are no costume purchase fees as all Nutcracker costumes are owned by Studio for the Living Arts Dance Complex and they are loaned to the cast members. Tights and leotard or leggings (if applicable) to be worn under costumes, are the responsibility of the student if needed. Please note that all tights are purchased at SLA Dance Complex to ensure they are the same brand/color.

NUTCRACKER AUDITIONS: Open Nutcracker Auditions are held at our SLA Dance Complex: Saturday September 14, 2019 at 10am. Dancers from any studio are welcome to audition and participate in our Nutcracker performance. Level 1 and Level 2 ballet students do not need to attend Nutcracker auditions. Levels 3-6 ballet students do attend auditions if they wish to participate in the performance.

NUTCRACKER REHEARSAL FEES There is a \$45 Production Rehearsal fee that offsets costs for the cast members who will be attending the 6 Saturday classes of rehearsals to learn the choreography for their role(s). There is no Production Rehearsal Fee for the Level 1, 2 dancers who learn their roles in weekly classes. We strive to keep costs as low as possible.

JUNE RECITAL We believe performing is an integral part of a student's dance education and our annual recitals give students an exciting opportunity to perform in a professional theatre. We present 2 shows on the same day, and students will appear in one show or the other. If students are in multiple classes they may appear in both shows. We try to place a variety of different numbers and levels in each performance so we can exhibit a variety of genres in order to keep the shows as entertaining as possible. We also take into consideration costumes changes and line up requirements. We are not always able to accommodate putting all of a student's or sibling's classes in the same show. Students wishing to see the performance from the audience must also purchase a ticket. *Recital performers are asked to make a commitment to class attendance. Instructors reserve the right to omit a student from all/or parts of a recital performance if they have consistently missed classes. A zero account balance is required prior to participating in recital.*

RECITAL COSTUMES Costume fees are due no later than January 6, 2020. Students require a costume for each class that they are enrolled in. Costume fees for our annual June recital are \$65 for Creative Movement classes and \$75 per dancer, per class for all other classes.

All accessories such as headpieces or gloves are included in the cost. If a costume needs tights, a new pair will be required for each costume for each new dance season. Recital Tights fees are \$12. The studio orders all tights to ensure they are the same shade. We are unable to order costumes without payment as the manufacturer requires payment in full.

- *Costumes not paid for by January 6th, or for students joining the session after January 6th, the account will be charged a \$10 late/separate ship fee per costume.
 - *Costumes not paid for by January 20, 2020 will not be ordered.
- Costumes are non-exchangeable and payment is non-refundable once ordered. Costume companies offer sizes in small, medium, large and XL. Although rare, if alterations are needed, they will be the responsibility of the student's parent. If you do not have a seamstress we can make a recommendation for you.

RECITAL AWARDS Dance award trophies (5, 10, 15 year etc.) are presented to dancers on stage at the recital in June. All award recipients will have their names listed in our June recital program.

CARE OF STUDENTS/ SAFETY We are only responsible for our students during the time of their class with us. SLADC is not staffed to provide before and after childcare. We are concerned about the safety of every individual that we deal with and we want everyone to maintain awareness of how to be safe when coming to and from classes. The safest situation is to park your vehicle and walk with your child into our lobby. We also suggest that you come into the lobby to pick up your child after class. Please make every effort to pick students up from the studio on time. We do not assume responsibility for young students after class is dismissed as we do not have adequate staffing to supervise their activities. Parents: please advise your dancer to remain inside the building while waiting for their ride to pick them up after class.

CODE OF CONDUCT Our most important rule: RESPECT. Proper respect of the director, faculty, office staff, curriculum, and fellow students is expected of all

students, parents and siblings. Every student should behave in a disciplined, responsible manner both at the studio and at offsite performances. The studio reserves the right to suspend or dismiss any student whose attitude, attendance or conduct is found to be unsatisfactory.
