PICTURE NOTES:

Pictures are all held at SFLA Dance Complex by Megan Edmonds, Blessed Day Photography. We do not hold regular classes over Picture Days, just photos.

Group and single photos will be uploaded for purchasing and a memo will be sent home with information if you wish to purchase. There are memory mate picture options (a group photo of the class which also includes a single full body photo of your dancer on the same sheet), and many other options for sizes and packages.

Each dancer has their individual photo taken along with their class group photo.

>>Please note that you do not need to purchase your individual or class photo, nor do you need to bring in a picture order form. All photos are taken and then uploaded to a site where you can order if desired. Our studio will receive an 8x10 photo of each class for our "Wall of Fame", located in our entryway lobby!

Please attend even if you do not wish to purchase so we can have a record of the full class. You can let the photographer know if you would like a sibling photo taken, and dancers may also have special friend photos done if we have a written note from the parent indicating that you wish to have a photo taken for purchasing.

>>Please arrive for pictures in costume with hair and make done as noted on the detailed chart below which is included in your Recital Handbook that was emailed. The Recital Handbook is also located on your website www.studioforthelivingarts.com

>> Remove jewelry and any bright nail/toe polish if you are in bare feet for your number.

**** PICTURES CAN RUN AHEAD OR BEHIND!**

We recommend arriving 15-20 mins. early and dancers may be accompanied by a parent. One studio room will be set up for female dancers who have multiple pictures being done. For males, please see Susan for your changing area location. We do wait to take the group photo until the time shown on the Picture Schedule Chart, but we cannot wait for late arrivals as we must stay on schedule. We often will run behind then get back on sch. etc. If you miss your group photo you can still get a single photo of your dancer any time over the 2 days.

*Please do not take photos anywhere in the dressing rooms on Picture Day.
