# Welcome

This season the Pulse Dance Company has over 180 solo, duo, trio and group numbers representing a full showcase that would entail an 8 hour performance! Today we will be highlighting our new season's primary group numbers, and we hope you can attend an upcoming competition to see their extra remaining solo, duo, trio, and small group works!

Our show "Pulse Performs 2025" showcase will include our group primary performances. Pulse will also offer lots of raffle and silent auction opportunities to win some great prizes including our annual Gift Basket Raffle valued at \$1300+ ! Visit the Lobby to enter!

Pulse Dance Company, formerly called "Full-FX", was founded 33 years ago with just 8 passionate and talented dancers. Today Pulse is one of the largest and longest-running youth/teen training programs and performance/competition dance companies in our region, and the company consists of 90+ dancers from over 20 different towns and cities. Today's performances feature new works ranging from tap, ballet, pointe, contemporary, lyrical, jazz, hip-hop, acro, and musical theater. Our varied and diverse repertoire is why we are often recognized on the competition circuit as a "Triple Threat" studio!

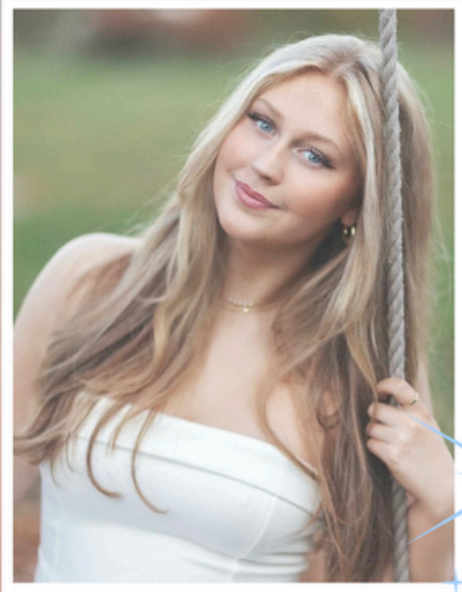

We are all extremely proud of the work and dedication of our dancers and we look forward to watching them grow as technicians and performers. Our Company members are hardworking, motivated dancers and it is such a pleasure to work with them. These dancers are not afraid to take risks and they really push themselves to new heights in their dance skills both in-house, and beyond the walls of our studio at conventions.

Access to the studio's top-notch faculty and exceptional training is the driving force behind the Pulse group's success. Professional, experienced, and energetic, all faculty members bring their own unique teaching style and passion for dance into the classroom. Pulse members also have the privilege of working with guest teachers through in-house master classes and guest choreography opportunities. One of the benefits of today's showcase is that the proceeds directly fund the Pulse Educational Account which provides "no cost" Master Classes along with other educational opportunities for our dancers.

We hope you enjoy our unique choreography and the passionate performances of our Pulse dancers for which they are known. Thank you so much for supporting this amazing group of artists.

## SENIOR PRESENTATIONS

Here at SFLA Dance Complex we recognize our graduating seniors at “Pulse Performs”. Many of our Pulse senior dancers train with us for 10-15 hours a week, not counting rehearsals, master classes, dance competitions, and community performances. Although they are often recipients of scholastic awards at school, their hectic dance schedule leaves very little time to become involved in extracurricular activities, so this is their “awards night”. We will continue to treasure their time with us until their final performance at our 33rd Recital. Please join us in welcoming these amazing individuals.
